### **Youth Alpha is Back!**

Having retired as circuit youth leaders back in July 2016 to become parents, it came as a big surprise to us both when God asked us to run a Youth Alpha course. Did we have time to become youth leaders again? Could we separate our parental roles from youth leader roles when it came to our two children? The praying began!

We knew there were a lot of young people keen to get back together again after the pandemic, but so did God, because within just a few weeks we had a planning meeting date in the diary with a team of 9 volunteers from across the circuit, and 18 young people (aged 10-15 years) accepted an invitation to a taster session we ran back in November.

We've run a number of Youth Alpha courses within the circuit over the last few years, but never had access to such good quality material. Each session has a downloadable video, along with discussion group questions (just like the Alpha course itself), written and recorded for a younger audience.

We ran the first session in January and have met every Sunday evening either at West Ardsley or Cleckheaton since. It's important that we take the opportunity to say a big **thank you** to everyone who has cooked for us! Church members from Batley Central, Cleckheaton, Hanging Heaton and West Ardsley have generously given their time to prepare and serve a meal to just short of 30 people. It has been hugely appreciated and wonderful to see relationships flourish around a table over a cooked meal.

We write this article having just been on our Holy Spirit themed away day, which we spent at Christchurch, based within the Xscape complex in Castleford. It was an ideal location for us not only to gather to watch the videos and break off into our usual discussion groups, but also to enjoy trampolining at 'Gravity' and some team-building games, finishing off with a short time of worship.

It's a privilege to be part of a circuit youth leadership team again, this time joined by leaders who used to be members of the circuit youth when we first started it just over 20 years ago! It's also a blessing to have two of our ministers and their spouses in the team, which is giving them the opportunity to really get to know our young people.

As this edition of Connect gets distributed around churches we will have just reached the end of the course. We hope everyone finds joy in knowing that we have the beginnings of a new thriving circuit youth group. Our young people are the church of **today**. They have questions, they have opinions,

they have the need to explore their Christian faith and seek God – it's our job to give them that platform and encouragement.

Please pray for us as we begin to explore where God wants us to take our young people following Youth Alpha. Please also encourage any young people aged 10 years upwards in your churches to get in touch with us, so that we can begin to grow in fellowship and reach as many young people as possible.
